

## Overview

### Trip Overview

Kanchenjunga North Base Camp trek to the base of the world's third tallest peak (8586), which lies in Nepal's eastern part bordering Sikkim, is one of the untrodden areas with impressive beauty of the Himalayas, which is rare to find somewhere else in the world. The great diversity of ethnic groups, isolation, flora and fauna, and some of the most stunning views of the Kanchenjunga trekking make it special and worth exploring. Our 15-day condensed itinerary suits fit trekkers lacking time but willing to venture to the Wilderness area of Nepal.
